DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 14 and 15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Lines 6 to 7 of claim 14 appear to include a typographical error. Note the recitation "the respective the locking portion". In lines 9 to 10 of claim 14, "the inclined angle of the two backrest support bars" lacks proper antecedent basis. Claim 15 is indefinite since it depends from indefinite claim 14.

Allowable Subject Matter

3. Claims 1-13 are allowed.
4. Claims 14 and 15 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Foldable chair structure is shown by each of Tsai (6149238), Liu
